4TH OF JULY PATRIOTIC MUSICAL EVENT FOR THE ENTIRE FAMILY!

Celebrate America...The Land of the Free

SAN JOSE, CA - Once again Bethel Church of San Jose opens its doors to celebrate all that makes this country great! Jon Lugo will conduct the Bethel orchestra and Voices of Bethel in this impressive event complete with a full color guard salute. This multi-media celebration will take place Friday, June 29, 2007 at 8:00 p.m. and two shows Saturday, June 30, 2007 at 3:00 p.m. and 7:00 p.m. Bethel is located at 1201 S. Winchester Blvd. San Jose, CA 95128. This celebration is a free service to the community.

“The Fourth of July and its celebrations traditionally have been marked by block parties and picnics. Neighbors would come together to Celebrate America. Sadly, much of that tradition is being lost. Bethel Church desires to connect with our neighbors for the purpose of Celebrating America and the freedoms we enjoy,” Sr. Pastor Bret Allen says.

As the lights go down in Bethel’s 2,000 seat beautifully decorated auditorium, guests will be delightfully entertained by a 90 voice choir and full orchestra. The celebration is further enhanced by the multi-media presentation on two large screens, actors, skits and the grooves and moves of the Kingdom Kids Choir.

Mayor Chuck Reed will be joining us for the Friday night performance. This year we will honor veterans of the Korean War with special guest Denny Weisgerber, along with an interactive salute to all branches of our military. We are also honored to have Sentinel Chuck Austin, an honor guard from the Tomb of The Unknown Soldiers.

“We love this country and honor its veterans. This production is our way of celebrating how blessed we are as Americans and our opportunity to thank all those who have placed themselves in harms way so that we might live free,” says Pastor Jon Lugo, head of the Creative Arts Department at Bethel Church.

Bethel Church has been in San Jose for 60 years and has a rich musical legacy. Come and enjoy this spectacular event of music and rich American traditions.
